Thanks for the speedy response! Added Kelly's info from what I could find in Outlook. This needs to go to Amparo and Mary ASAP. Who is sending?

Thank you, Angela. I know it's late in the game; we've been having exchanges on other FRNs as well.

One additional point that Jennifer made is that Samantha Jones is not a POC for this document and we need to identify someone else.

Hi Mary et al,  
Although there is no dedicated ORD docket per se, there is a specific docket manager that is assigned to ORD, who manages

the docket process for ORD materials. The list of docket managers is here <https://intranet.epa.gov/fdmsinfo/contact.html#docketmanagers>, and it looks like we share the same docket manager - here is the docket manager for ORD. Never the less, we have different procedures (e.g., required CBI reviews, forms, etc), so that manager will instruct you on what ORD needs to do – which isn't likely to be the same as what we require for our materials.  
<image001.jpg>

I registered the document in the OP system (FR Dailies) used for FRLs and to submit to OP for publication processing. Here is the FRL number to use on the document: **10020-01-ORD**.

I called OP, and here is the person you need to work with to get the FR signed and submitted: **Mary Manibusan**. (Caryn Muellerleile is the desk officer).

So, with that provided, I think it is also important to point out that it may be too late for this document. OP will confirm whether this is something they can get signed & processed.  
- Angela

Mary and Lou,

Attached is the draft NOA FRN for the  
PFBS assessment. I have made very  
minor edits.

Mary could you please address the  
docket # issue and verify the contact  
person and information.

We need this basic info first thing in the  
morning.

I could not access the share drive  
version. Not sure if it makes a  
difference regarding which one I edited.

Thanks

first draft simple NOA

**Importance:** High

Here is a first draft using only the  
mark-up I received from you last  
Friday, and an old ORD notice Peter  
found on the web.

We assumed this is a simple  
announcement of the final tox  
assessment, so we kept the FR  
document very short and pulled  
language directly out of that mark-  
up. ORD will need to add the  
following:

- ORD Docket ID #.
- ORD FRL #.
- For Further Information  
Contact Info: As a comment,  
we included the POCs that  
were in the NOA that Peter  
found. Otherwise we just  
provide a template for one  
contact.

It is set for the Administrator's  
electronic signature.

Attaching as a shared file and as an  
attachment.

Hope this helps. Let us know if there  
are other questions we can help  
with.

- Angela
